THIS MONTH'S MEETING

Don't even **think** of showing up at the HND terminal for this month's meeting on the 13th ... you'll be all alone. NO, this month's meeting will be a BBQ at Randy and Rachel Holland's house, at 1936 Autumn Sage Ave, North Las Vegas, NV 89031. Google it for a map and directions.

The chapter will provide all the drinks, hamburgers, hot dogs and condiments. Once again, Selina Herrington and Kathleen Jones will provide their famous potato salads, deviled eggs, baked beans, and yummy desserts. All **you** have to bring is a **chair to sit on**, and you're good to go.

Plan to be there by 6:00 p.m., and the grill will be hot and ready for cooking by 6:15. We'll have a short business meeting during dessert, and Randy will show us all the progress he's made on his project.

Speaking of progress on his project, Randy could use a little help from 5-6 of us to mount the wings before most of the people arrive at 6:00. If you can make it around 5:00 please do so, and lend a hand with this pivotal step in the construction process. Should be fun!

SOME AVIATION FREEBIES

Ever wonder what the Lithuanian Dobkevicius D.I. looks like? Want to see it, and many other aviation oddities? Just go to: <http://www.aviastar.org/index2.html>. Bet you can't close that site in under an hour!

What are your favorite aviation freebies? Send them to: herringtons@theherringtongroup.com.

CALL FOR PROGRAM IDEAS

OK, so how about something completely different. This month I'm NOT asking for any program ideas for future chapter meetings. You know, reverse psychology ... and all that psycho-babble. Can't wait to see what happens.

THIS MONTH'S FLYOUT

Yee haaaaw ... mark your calendar for June 23rd. We're going back for some of that scrumptious Waldo's BBQ at Lake Havasu City (and cheap gas, too). Brian and Lynn will be sending out the usual flyer with all the details soon, so watch your email box.

See you at the BBQ on June 13th.

Let's all be careful out there,
