The Official Electronic Newsletter of EAA Chapter 1300 in Henderson, NV

November, 2012

President's Corner, November, 2012

Dean Herrington, President

Before talking about November's Meeting, I want to extend a special thanks to all who presented in last month's meeting:

Seb Trost and Pat DeLaney - great photos of the massive RV formation, and a "high production values" video done by Seb (5 hours of editing to get the 2 minute finished video), complete with music, sub-titles and fancy transitions between scenes. Seb is obviously our video go-to guy.

Peter Davis - great shots of some great Oshkosh airplanes, and an overview of his aviation experiences spanning 13 airplanes and a few decades of flight. The Lindberg story was fascinating. Small world, huh?

Roger Hansen - HD video of his flight down the Chicago shoreline, under the Class B, including a forlorn view of the former Meigs Field. The finale was a squeaker into Chicago's Lansing airport.

Terry Frazier - very informative description of several Automatic Dependent Surveillance - Broadcast (ADS-B) capable devices, a comparison of their features and prices, and a description of the one he's currently installing in his ship. Terry is now our resident ADS-B guru.

Great meeting, thanks to all the presenters.

THIS MONTH'S MEETING, NOVEMBER 14TH

This month we'll be meeting at HND, and again the pre-meeting dinner will be at the Black Mountain Grill, 11021 S. Eastern Ave. (702-990-0990). All who care to attend are welcome. In order to make it more probable that we'll all be able to order our food, finish dinner, and make it to the HND meeting room in plenty of time for our 7:30 start time, our dinner time remains 5:30 p.m.

SOME AVIATION FREEBIES
