Young Eagles – Pahrump is asking about YE event second week of October. Dean Herrington mentioned the Red Bull races are the same weekend.

Last year we gained 93 credits for YE activity – worth \$5/point Credits expire at the end of the year. Perhaps use for YE who flew with us in Pahrump. Terry Frazier says we can turn points in to National EAA so they can use them for another chapter if we don't have anyone – should do this by March if we don't think we'll have someone.

Eagles – After discussion, consensus was to put it into dormant status due to lack of interest. Helen Carlson has sent out hundreds of emails to various groups with no response.
