The Official Electronic Newsletter of EAA Chapter 1300 in Henderson, NV

October, 2012

## President's Corner, October, 2012

Dean Herrington, President

### **THIS MONTH'S MEETING, OCTOBER 10<sup>TH</sup> at 7:30 P.M.**

This month we'll be back at HND, for an evening of Oshkosh reports, replete with pictures, videos and tall tales of all sorts. Plus, longtime member Fred Wilson has some great freebies for everybody, so don't miss this one.

### **DINNER LOCATION**

We've still getting consistently good food and good service at the Black Mountain Grill, 11021 S. Eastern Ave. (702-990-0990), so until further notice we'll continue to meet there for the informal pre-meeting dinner. All who care to attend are welcome. But, this month **we will NOT be in the usual room**. We will be eating in the upstairs dining area called The Loft.

### **REMEMBER OUR CURRENT DINNER SCHEDULE**

In order to make it more probable that we'll all be able to order our food, finish dinner, and make it to the HND meeting room in plenty of time for our 7:30 start time, our dinner time remains 5:30 p.m. (instead of 6:00).

### **SOME AVIATION FREEBIES**

Want to plan your flying adventures around all the various airshows scheduled throughout the year? Well, check out this website: <http://www.airshows.com/> There you'll find the schedules for all major airshows in the US, and many International ones as well. You can even pick your favorite air demonstration team and follow the link to their schedule. Have some favorite aviation freebies? Send them to Dean at: [herringtons@theherringtongroup.com](mailto:herringtons@theherringtongroup.com).

### **CALL FOR PROGRAM IDEAS**

Yeah, right.

### **YOUNG EAGLES EVENT**

On the 13<sup>th</sup> we'll be flying Young Eagles in conjunction with the Pahrump EAA Chapter 1160. Ralph has sent out an appeal for help with flying and ground support, so contact Ralph Millard at (702) 804-0441, [ralphcm@aol.com](mailto:ralphcm@aol.com), or Terry Frazier at (702) 278-0273, [fraziernv@earthlink.net](mailto:fraziernv@earthlink.net), to pitch in. It would be nice to have a broader spectrum of volunteers than just the usual people who always show up to carry the load. Come on folks, if you haven't helped out at a Young Eagles event lately dive in and lend a hand, then join us as we enjoy some great BBQ when we're all done. Ya'll come, ya hear. ☺

EDITOR'S NOTE: Here are the 2 emails sent out by our illustrious Young Eagles coordinators, asking for your assistance:

*I'm working on our pilot and ground support list for the upcoming Pahrump Young Eagles rally scheduled for 10/13/12. If you could help out with either, it would be much appreciated. Thanks in advance,*

*Terry Frazier*

*Attention Young Eagle supporters,*

*The annual Pahrump Young Eagle flight event is scheduled for Saturday, Oct 13th.*

*The Pahrump EAA chapter is the prime sponsor and is expecting to see about 50 to 60 kids.*

*The plan is to start flying the rides at 8:00 AM and finish by 12:00 Noon.*

*As usual, there will be a BBQ for the pilots and event volunteers.*

*Terry Frazer will be contacting the pilots with the details and timing.*

*For all other ground support volunteers, please contact Terry or myself.*

*Remember, we always are in need of your support to make this event successful.*

### **THIS MONTH'S FLYOUT**

This month's fly-out will be a **lunch run** on the 20<sup>th</sup>, to Big Bear Lake, CA. Come on Dan, it's a LUNCH run. Fire up that bird and join us. Watch for the flyer with all the details coming soon from Lynn and Brian.

### **THIS YEAR'S CHRISTMAS PARTY**

Mark your calendars everybody, this year's Christmas Party will be Saturday, December 8, 2012, in the usual room in the terminal at HND. This year's speaker will be Robert K. "Bob" Gannon, and the title of his presentation will be "Dream it. Dare it. Do it: to Timbuktu in a 182."

More than once, Bob Gannon has flown his C-182 "Lucky Lady Too" around the world. He has flown over the North Pole and to Antarctica. He has amassed enough miles traveling East and West, and North and South, to equal 6-7 circumnavigations of the world. He is a member of the prestigious "Earth Rounders" organization. He has some amazing stories to tell and some amazing lessons to share. You don't want to miss this one.

More details will be coming out on the Christmas Party soon.

In the meantime, let's all be careful out there,
