President Glenn Austin received this email earlier this month and asked to pass it along to the membership:

Glenn,

Good morning. I spoke with Dean Herrington last night and he told me that you are the new President of EAA1300, Congratulations.

The reason for me reaching out to you, is the Clark County Aviation Association will be hosting the 7th Aviation Open House in conjunction with the Clark County Department of Aviation Saturday March 29th at the North Las Vegas Airport from 9 am to 3 pm. This is a wonderful event to introduce the non-aviation community to the airport and share the advantage of aviation. As always this event is Free to the public.

I was hoping you could forward this information to your membership in hopes that many would like to participate by displaying their aircraft. There is NO cost to display an airplane and we ask for only a \$25.00 donation (not required – but it helps) to set up an organization table in the main hangar. These donations are used to help fund the event through additional advertising, table/chair rental, etc.

This is a great event for the whole family and I hope you will share it with your membership. If you have any questions, please feel

free to contact me, my personal cellphone number is (702) 809-9007. I look forward to EAA1300 support.

Sincerely,

Jerry Doyle, President
Clark County Aviation Association

Editor's Note: Sorry for the late publication of this newsletter. The press of business and non-EAA events for our contributors made it difficult for everyone to meet our deadline. We will strive to improve in the future.
